Myself & my affiliates have over thirty years experience in the pizza business. This restaurant has been serving the South Loop community for the past five years. We've been able to grow & expand our business due to the loyal customers that we have attained over the years through the charm of our great food & great customer care. We serve a fantastic pizza, every part of which is made from scratch, from our dough, to our sauce, which is made fresh daily from our secret family recipe, which is newer & better than the previous one. We look forward to continuing to impress you with our great food, customer care & our family values. We appreciate you choosing us to order from & we appreciate it even more when you recommend us to your friends & family. That is by far the greatest compliment one can receive. Without you, our valued customer, we surely would not still be here. We challenge you to try the best pizza in town!
